Mediumship/Discussion Text

(Please Note: While NLD was channelling Lucy, she became very childlike, and her voice was that of a girl who was quite young. AJ was aware that the children were waiting to talk to him, and so he asked NLD whether they were ready to talk now.)

AJ: How are our children, they've been waiting a little while?

NLD: There are a lot of them now, I am hearing names.

AJ: Yes.

NLD: I'm hearing names

AJ: Yeah.

Lucy: (Long pause) Hello

AJ: Hello

Lucy: We know ...we know who you are! I'm Lucy!

AJ: Hello Lucy.

Lucy: There's Sacha and there's Sharon and there's Jessica and there's Joan and, oh, I can't remember every bodies name but we, ...we just, ...we just heard that we could come and say hello, so hello.

AJ: So you did! Alright!

Lucy: We, we're, we're happy!

AJ: Yeah, where are you?

Lucy: um ...

AJ: Have you been told?

Lucy: Summerland.

AJ: Summerland!

Lucy: And we've got teachers and we like it here and we're learning a lot.

AJ: Did they tell you about the Divine love?

Lucy: Yes, that's why we want to talk to you!

AJ: Okay.

Lucy: Because we know who you are!

AJ: Yeah.

Lucy: Because we've been told who you are.

AJ: Alright.

Lucy: And we just want to say hello.

AJ: Okay.

Lucy: And it's we're, Yeah, ... um

AJ: So you know that you can stay messing around all the way through the Divine path don't you?

Lucy: Well, some of us, we just like being just how we are and some of us do want to grow up a bit more.

AJ: Yes.

Lucy: Some of us, so we all want to do different things.

AJ: and...

Lucy: And we've been told that we can do whatever we want to do!

AJ: Yes.

Lucy: And if we don't want to grow up we don't have to grow up.

AJ: No.

Lucy: And we can just be happy and play and we can carry on like we are and we could be angels!

AJ: Yeah.

Lucy: We could be children, angel children.

AJ: Angel children yeah.

Lucy: And, I quite like that but, um, some of the boys seem to want to grow up.

AJ: Ok.

Lucy: Um, but every ones just really excited that we've been allowed to say hello to you!

AJ: Alright.

Lucy: Because we, we do, we've, we've been told who you are.

AJ: (Laughing)

Lucy: Every ones saying hello, can you hear them all saying hello?

AJ: (Laughing)

Lucy: There is lot's of us saying hello.

AJ: Yeah.

Lucy: So, we don't really have any questions because our teachers teach us really well.

AJ: Yes.

Lucy: And we don't get bored but just because of, we know, ...

AJ: Hey!

Lucy: We do like being here.

AJ: Hey, I've got an idea! Would you like to talk to some of the group here about what Summerland's like?

Lucy: Okay.

AJ: Yeah so would you tell them about Summerland?

Lucy: Well it's nice. We can have, we, when ... well...

AJ: Is there dinosaurs you can go visit?

Lucy: I haven't seen any!

AJ: Haven't you?

Lucy: No.

AJ: Why don't you ask one of your guides now?

Lucy: Well I'm scared of dinosaurs!

AJ: (laughs long and hard!) Well you can go visit whenever you want.

Lucy: Well I think we can do whatever we want if we really want to do it.

AJ: That's beautiful and very true.

Lucy: And I've done all sorts of different things, I, I was, I was ill, was ill when I came, but I'm better now and I keep, um, have different hair styles and (pause) it's just really nice here!

AJ: Yeah.

Lucy: I don't, I don't really miss my parents.

AJ: No.

Lucy: or anything like that because I was ill, so this is much better.

AJ: So how long ago was it when you passed over?

Lucy: um (pause) I don't know, um (pause), about, um, my teacher says about six years ago.

AJ: Six years ago. And do you remember what country you lived in?

Lucy: I lived in ...(pause)... America.

AJ: Oh ok.

Lucy: Yes, I lived in America, I lived in ...(pause)... New York, and ... and I, I was, I, I was in hospital a lot, I had something wrong, I had cancer.

AJ: Leukaemia.

Lucy: Yes, how did you know that?

AJ: Well, I can feel you and what happened to you.

Lucy: Oh. And I just got iller and iller and I knew that my mummy and my daddy loved me a lot, but I, I didn't want to be there anymore. I wanted to come here.

AJ: It's not nice being in hospital? Is it?

Lucy: No, I didn't like it; I didn't like it at all! So this is nice, I like, I like it here a lot.

AJ: Yeah.

Lucy: And I don't know if I'm going to stay here or not, I think I might want to be an angel one day, but I like my lessons and I like my teachers and there not really like, lessons, like, I see some of my friends some times. I go and visit them and they look, they look bored and I don't get bored, they look, I don't ...

AJ: School, school is not like the school on earth, is it!

Lucy: No, no it's fun! It's fun and when you, when you don't want to do anymore you don't have to do it any more.

AJ: And have your teachers taught you to make things...

Lucy: We make all sorts of things...

AJ: What kind of things?

Lucy: Um, we make things that I, I you haven't got words for ...

AJ: Yeah.

Lucy: I don't know how to tell you what we make because there aren't words.

AJ: But they are living things, are they?

Lucy: Yes, they are. But I can't, I can't get those words through that nice lady.

AJ: Yes.

Lucy: They, they, I can't do it but we make all sort of things that, that you could make and it's fun, and I've got plans, I've got plans... to make even bigger and better things.

AJ: Well each time you go to another sphere you've got more power to make bigger and better things. Did you know that?

Lucy: Oh no I didn't, well... I did know that but now you've told me again I've, I've remembered it so, yes I want to do that as well.

AJ: Yeah.

Lucy: And I, I like to help my friends as well, the ones that are still where you are.

AJ: Yep.

Lucy: But I'm not quite sure how to do that at the moment.

AJ: Yep, and you'll learn how to do that, as you grow through the spheres and...

Lucy: Well yeah we'd like to...

AJ: When I say grow, not grow up!

Lucy: Well some, some of us want to stay together, some of us are such good friends now that, if we do decide to change into angels and things we want to do it together.

AJ: All right.

Lucy: So, that's one of these, why we like it so much because we don't really quarrel, we don't have arguments or anything. We don't get cross with each other, we just, its good fun, anyway, um I think we're supposed to go now, so...

AJ: Now?

Lucy: Yes.

AJ: It's been lovely talking to you.

Lucy: We loved it! Can we come back?

AJ: (Laughs) ... Yeah, yeah any time you want

Lucy: Jason says he wants to talk to you next time.

AJ: Alright, and if any of you do some more experiments about the second sphere and the third sphere and all those things, you tell me what they're like?

Lucy: Ok, bye Jesus.

AJ: Bye, bye.

Lucy: Bye, bye.
