<b>Title</b>	<b>A Poem To God</b>

### **A Poem to God**

Could you love me God? Little me?  
Could you love me THAT much?  
Could I really become clean?

Help me find my true self, my desires,  
Help me find the pathway through the dark,  
Help me LOVE.

I want to love.

I want others to want your Love,  
and to know its power ,  
through seeing me change.

I am just a little girl, a little lost,  
Bewildered by this BIG world I find myself in.

Help me touch my sorrow.

There is so much sadness  
It feels knit into the fibres of my being.  
Help me love the colour of my soul,  
Just as it is,  
Right now.

Thank-you, thank-you, thank-you  
There are no words for you.  
I am just a little girl  
with words, far too few

Help me find the words, the will,  
to share your Glory.

How can I know you well?  
I am humbled by You  
Your presence makes me want to bow down for you,

## Mary Magdalene's Life Story & Diary

How can I face you?

You know me so well and I feel shame,  
How could you love me after knowing me?  
I am so broken and oh so little.

Help me have faith that I may heal.

Help me have courage  
to stand on your doorstep  
and knock on your door

Let me feel worthy enough  
to ask...  
to ask for your Love and your Wisdom.

I do not feel deserving of such things  
I am little  
and a lot broken.
